We encourage attendees to use Twitter during ESWC 2010 to create a living, live stream of thoughts, experiences and interactions from the event.

Follow the tweet stream here. It will also be used during some sessions to enable live participation of the audience!

Use the keyword **#eswc2010** for your tweets.

```
new TWTR.Widget({ version: 2, type: 'search', search: '#eswc2010', interval: 2000,
title: 'Keep informed about what's happening at', subject: 'ESWC 2010', width: 450,
height: 600, theme: { shell: { background: '#0e86b5', color: '#ffffff' }, tweets: {
